Hotspot best surf in action

All LD surfski paddlers will get a **wildcard** to race on the Surfski sprint event during the Surf lifesaving Competition.

## Hotspot & Safety point

Halfway the race there is a Hotspot & Safety point situated.

To win the hotspot there will be a best surf in action rally point, right on the place of the Hotspot buoy.

Near the hotspot buoy is a safety point located you can quit the race here when necessary!

Registration for the race will be on Saturday from 10:00 till 15:00.

Preparation for the boats and placing them on the trailer for transport, between 13:00 - 15:30

Race briefing at 15:15

The race will start at 16:30 at location of Riche Zandvoort. The finish location is right on the Lifesaving venue! It's depending on the conditions what the exact route will be!

The race will start with a standing start on knee/hip depth! When the horn blows the race will start.

Finish will be on the beach, The Paddlers must be crossing the finish line on the beach. Handlers will collect the boats from the paddlers when leaving the water.

There will be a time registration!

## Safety regulations

it is obliged to wear a PFD

When the wind is Beaufort 3 and more there must be a leash attached between the boat and paddler.

Please be aware of your own capabilities.

The organisation reserves the right to take people out of the race when there are doubts about the skills of the paddler!
